Fourth Annual Leadership Conference

The Art of Leadership in Education, Technology, and Practice

April 3, 2008

8:30 a.m. to 4:30 p.m.

The Woodlands, Woodbury, NY

Abstract Guidelines - Posters Only

Adelphi University School of Nursing and Sigma Theta Tau International Alpha Omega Chapter invite you to submit an abstract for poster presentation that illustrates research, innovative programs, initiatives, or evaluation processes that show how you have advanced nursing education, practice, and research. The committee is especially interested in abstracts that address: clinical teaching, use of simulation, classroom teaching methods, innovative curriculum models, preparation for NCLEX-RN success, faculty development, programs utilizing advanced technology, and evidence based practice.

The abstract should be no more than 300 words and include:

- background information of the research or project
- a description of methods, programs, or practices.
- original work and can include work in progress.

Each abstract will be peer-reviewed. Incomplete submission and abstracts posted after February 28, 2007 will not be considered. Unaccepted abstracts will not be returned to the primary author. All rights for abstract materials, both accepted and rejected, are the intellectual property of the primary author and co-authors (when applicable).

Submit abstracts to:
