Objectives
Attendees will:
- Gain a greater understanding of the impact of developing leadership excellence in maintaining positive patient outcomes.
- Explore critical elements of using big data at the bedside to improve outcomes.
- Recognize and gain insight into leadership as a healthcare innovator.

Featured Speakers:
Elisa A. (Lee) Mancuso, M.S., RNC-NIC, FNS, AE-C
President, ANA-NY

Elisa A. (Lee) Mancuso is a neonatal nurse practitioner, bereavement counselor and professor at Suffolk County Community College specializing in pediatrics, mental health and leadership. During the past 33 years, her leadership role has evolved from local to national professional organizations. Since Fall 2016, she has been president of ANA-NY, of which she has been a charter member and a founding board member since December 2012.

Leonard C. Achan '99, M.A., R.N., ANP
Chief Innovation Officer and Senior Vice President of Innovation and Business Development
Hospital for Special Surgery

Leonard C. Achan, an entrepreneur and artist with nearly 20 years of healthcare leadership experience, previously was senior associate dean for global communications, branding and reputation at the Icahn School of Medicine before joining the Hospital for Special Surgery. He was also chief communications and access officer at Mount Sinai Health System and chairman of Quality Reviews, Inc. A current member of the Adelphi University Board of Trustees, he is an Adelphi alumnus and an alumnus and fellow of The Wharton School of Business at the University of Pennsylvania.
